

Motorola RAZR V3 Battery Replacement

How to replace a battery in a Motorola Razr V3.

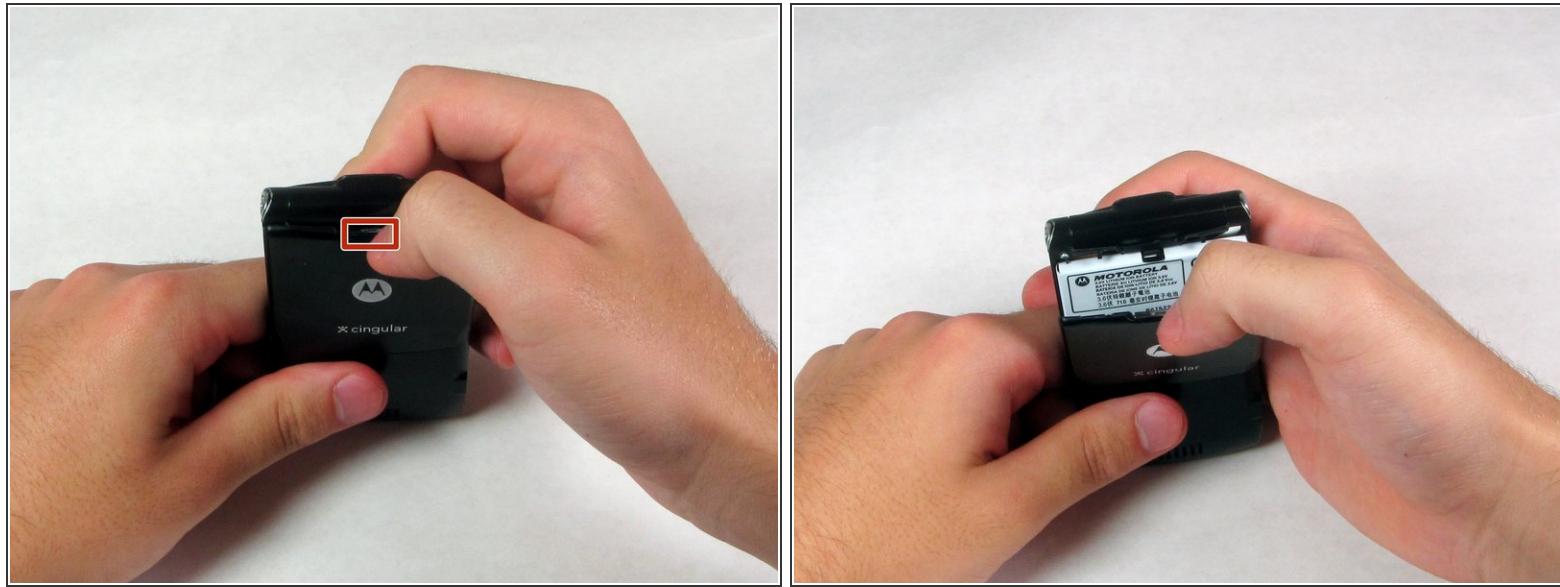

Written By: Ian Cottengim

INTRODUCTION

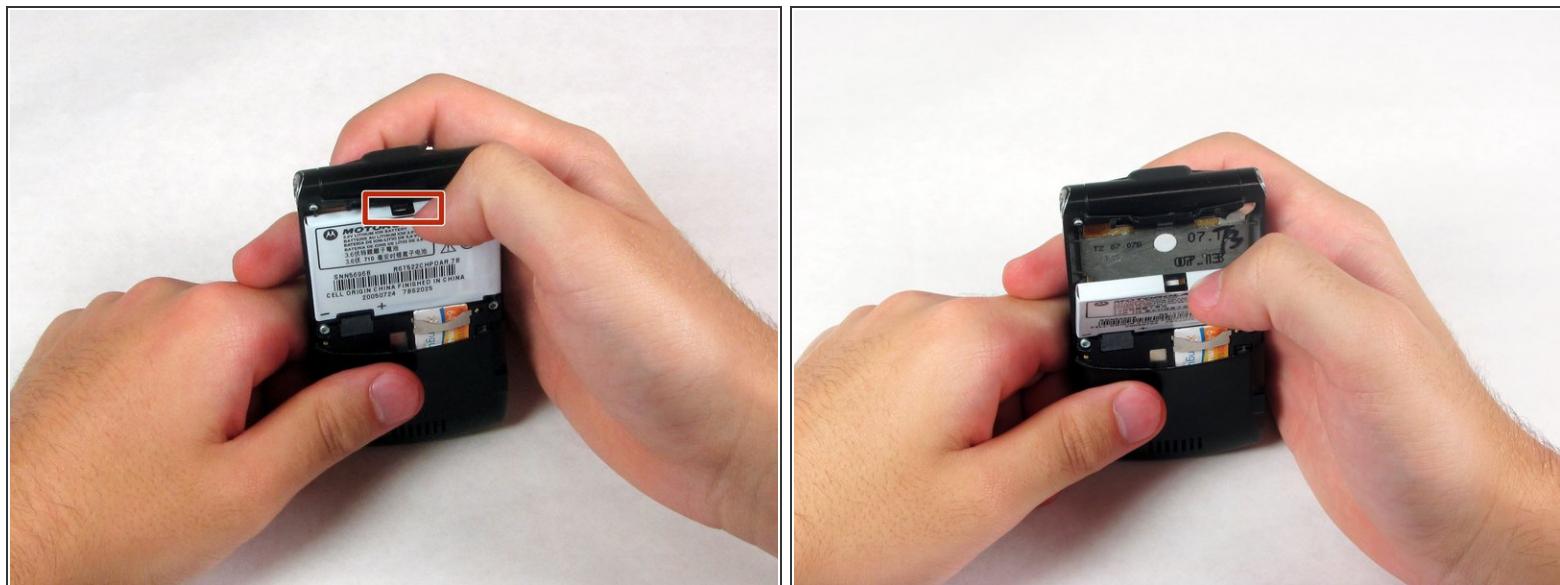

If your phone has problems turning on or poor battery life, you may need to replace the battery. Installing a new battery can solve many problems. Follow this guide to install a new battery.

Step 1 — Battery

- Remove the back cover by pressing down the silver button.
- Pull the cover away from the phone.

Step 2

- Remove the battery by pushing down on the top and pulling it away from the phone, similar to the cover.

To reassemble your device, follow these instructions in reverse order.
