

Motorola i450 Boost Mobile Back Cover Replacement

This guide gives instructions on how to remove the back cover of the device.

Written By: Amber King

INTRODUCTION

The back cover protects the battery and SIM card from being easily damaged if the phone is dropped.

Step 1 — Back Cover

- Place the phone on a flat surface with the front facing down.
- Insert your finger under the gray plastic cover at the bottom end of the phone.
- Lift the cover off the phone.

To reassemble your device, follow these instructions in reverse order.
