

Motorola i850 Battery Replacement

Written By: Alex Jones

INTRODUCTION

Removing and replacing the battery is easily accomplished!

Step 1 — Disassembling Motorola i850 Back Cover

- Use your thumb to slide the back cover locker away from the antenna.

Step 2

- Slide the back cover towards the antenna while lifting the cover away from the phone.

Step 3 — Battery

- Place your thumb on the indicated corner while stabilizing the phone and the upper portion of the battery with your forefinger.

Step 4

- Lift the battery out of the phone while pushing it towards the antenna.

To reassemble your device, follow these instructions in reverse order.
