

Ninja Ultima BL810 Blade Attachment Replacement

This guide will demonstrate how to remove the blade attachment for the pitcher.

Written By: Ryan James Gilroy

INTRODUCTION

This guide will demonstrate how to remove the blade attachment for the pitcher.

TOOLS:

- Fingers (1)

Step 1 — Blade Attachment

- Grip the Blade Attachment by the plastic shaft and lift upwards.

 Pay attention to where you grab the blade attachment. The blades are very sharp.

To reassemble your device, follow these instructions in reverse order.
