

Nylon Tips Replacement

Replace the nylon tips.

Written By: Aiden Baker

INTRODUCTION

This guide will show you how to replace the tips on your nylon tweezers.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)

PARTS:

- [Nylon Tipped Tweezers](#) (1)
Tips

Step 1 — Nylon Tips

- remove 4 PH0 philips screws, 2 on each side.
 - ⓘ Hold the sides so the tips don't move while you are removing the screws.
- Remove the tip.
 - ⓘ Repeat on opposite side.

To reassemble your device, follow these instructions in reverse order.
