

PRAM Reset

A video tutorial on a PRAM Reset

Written By: Ayrton Fineout

A photograph of a laptop resting on a surface of crumpled white paper. Overlaid on the image is the text 'FIX MAC PROBLEMS IN THREE STEPS!' in a large, white, outlined, sans-serif font. The text is arranged in four lines: 'FIX MAC', 'PROBLEMS', 'IN THREE', and 'STEPS!'. The laptop screen shows a dark desktop with a few icons, and the keyboard is visible below it. A small, colorful cartoon character is visible on the bottom left of the laptop's base.

**FIX MAC
PROBLEMS
IN THREE
STEPS!**
