Step 1 — Battery

- Place the PSP face down and locate the battery cover on the left side of the device.

- Lift and remove the battery cover to reveal the battery.

- Remove the battery.

Step 2 — Casing

- Peel back the warranty sticker that is behind the battery with a spudger or your fingernail.

Step 3

- Unscrew all four screws from the back of the PSP with the Phillips #00 Screwdriver.
  - Two are located behind the battery's warranty sticker.
  - Two are located on the right side of the PSP.

Step 4

- Next, unscrew the two screws located at the top of the PSP.

Step 5

- Then, remove the single screw from the bottom edge of the PSP (which is positioned next to the barcode).

Step 6

- Slide the spudger in between the outer casing of the PSP, beginning at the "R" shoulder button, and gently pry off the casing.

- Remove the front casing completely.
