

# Pac-Man Connect and Play A or B Button Replacement

A replacement of the A or B button

Written By: Levi G

 **TOOLS:**

- Philips Head Screwdriver: Size J1 (1)

## Step 1 — A or B Button

- Begin by flipping the device over and removing the back cover
- Ensure the device has no power, and isn't plugged into a television set.

## Step 2

- Remove the 5 Phillips head screws

## Step 3

- You can now open the device.

## Step 4

- Remove these 2 Phillips Head screws
- Pull back the button board

## Step 5

- You can now remove either (or both) buttons

To reassemble your device, follow these instructions in reverse order.
