

Palm Treo 700P Battery Replacement

Removal of the Palm 700P battery.

Written By: James Smith

INTRODUCTION

In this guide, we will illustrate the safe removal of a battery from the Palm Treo 700P.

Step 1 — Battery

- Press the button located just above the Sprint™ logo and then slide the cover down.

Step 2

- Use the small notch on the left hand side of the phone to remove the battery.

To reassemble your device, follow these instructions in reverse order.
