Step 1 — Opening the Flash Bulb

- With the camera facing you, open the flash bulb by pushing the grey button to the right of the logo.

Step 2 — Unscrew Flash Bulb

- Remove the two 5.5 mm JIS #0 screws on the sides of the flash assembly.

Step 3 — Remove Flash Bulb Cover

- Gently pull off the flash cover. It should come free with very little force.

Step 4 — Flash Assembly

- The flash bulb assembly is now ready for replacement

To reassemble your device, follow these instructions in reverse order.
