Razer Blackwidow Tournament Edition Chroma Front Panel Replacement

This guide shows you how to remove the front panel on the Razer Blackwidow Tournament Edition Chroma.
Written By: Jonathan Stewart

🔧 TOOLS:

- iFixit Opening Tools (1)
- Phillips #1 Screwdriver (1)

www.iFixit.com

Step 1 — Rubber Feet

- Turn the keyboard over so that it is lying flat on its face.

- Use the iFixit opening tool to pry the rubber feet off the keyboard.

Step 2 — Front Panel

- Use a Phillips #1 screwdriver to remove the six screws on the back of the keyboard.

- Then use the IFixIt opening tool to pry off the front panel.

- Place the keyboard over so the keys are facing up.

- Lift both ends of the keyboard up removing the front panel.

To reassemble your device, follow these instructions in reverse order.
