

Reset maintenance cycle on Toshiba e-studio 203sd.

Resetting maintenance message on Toshiba copier.

Written By: Travis Brubaker

INTRODUCTION

Toshiba would not say how to reset maintenance message and machine was working fine other than the message.

Step 1 — Reset maintenance cycle on Toshiba e-studio 203sd.

- Turn on copier.

Step 2

- Press #*C* the copier should enter a test mode.

Step 3 — Step 3

- Enter 20-01 to reset the indicator
- Enter 21-01 to adjust the time till the reminder comes up again. 0=3,000 sheets 1=6,000 sheets 3=13,000 sheets 4=25,000 sheets and 5 is unlimited number of pages. Which means the message will never come back.

Step 4 — Step 4

- Press CA to exit the maintenance mode.

To reassemble your device, follow these instructions in reverse order.
