

Samsung Galaxy Note II Midframe Replacement

Replace the midframe in your Samsung Galaxy Note II.

Written By: Sam Goldheart

INTRODUCTION

Use this guide to replace a Galaxy Note II midframe.

TOOLS:

- [iFixit Opening Tools](#) (1)
- [Phillips #00 Screwdriver](#) (1)

PARTS:

- [Galaxy Note II Midframe](#) (1)

Step 1 — Stylus

- Grasp the end of the stylus and remove it from its slot in the midframe.

Step 2 — Rear Case

- Pry with a plastic opening tool, or your fingernail, in the divot to the left of the rear-facing camera, near the power button.

Step 3

- Lift the rear case by the corner nearest the divot and remove it from the phone.

Step 4 — MicroSD Card

- If you have an SD card inserted, use the flat end of a spudger, or your fingernail, to press the microSD card slightly deeper into its slot until you hear a click.
 - After the click, release the card and it will pop out of its slot.
 - Remove the microSD card.
- ✦ For reassembly, push the microSD card into the slot until it clicks in place.

Step 5 — Battery

- Insert a plastic opening tool, or your finger, into the notch of the battery compartment and lift the battery upward.

Step 6

- Remove the battery from the midframe.

Step 7 — Midframe

- Remove the eleven 4.0 mm Phillips #00 screws securing the midframe to the display assembly.

Step 8

- Insert your plastic opening tool between the midframe and front panel assembly on the side of the phone.
- Slide the plastic opening tool down the seam.

Step 9

- Continue to run the plastic opening tool down the seam.

Step 10

- Carefully pry around the corner with a plastic opening tool.

Step 11

- Pry along the top of the phone with a plastic opening tool.

Step 12

- Push the plastic opening tool down to free the corner of the midframe from the display assembly.

Step 13

- Free the clips along the power button side of the phone.
- Lastly, free the two clips along the top and bottom edge of battery compartment.

Step 14

- Lift the display assembly out of the midframe.

To reassemble your device, follow these instructions in reverse order.
