

Samsung Propel Battery Replacement

We will show you how to replace a faulty battery.

Written By: James Cote

INTRODUCTION

A faulty battery is a very common problem and a very easy fix.

Step 1 — Battery

- Remove the back panel of the phone.

Step 2

- Remove the old battery and replace with the new one.

Step 3

- Put back the back panel of the phone.

To reassemble your device, follow these instructions in reverse order.
