

Samsung Rogue Battery Replacement

Replace a battery that will not hold charge.

Written By: Viktoria Mikoultchik

INTRODUCTION

This guide will show a step-by-step procedure for replacing the battery in your Samsung Rogue. Replacing the battery on the Samsung Rogue requires minimum disassembly.

Step 1 — Battery

(i) Before disassembling your Samsung Rogue, make sure it is powered off.

- With your thumbs, push down on the back cover of your phone and slide it away from the camera.

Step 2

- You can now remove the battery by prying it up with your finger.

To reassemble your device, follow these instructions in reverse order.
