

Samsung Rugby 2 Battery Replacement

How to replace a battery for Samsung Rugby 2.

Written By: George Falardeau

INTRODUCTION

The Samsung Rugby II (SGH-847) is a rugged phone with easy to replace components, including the battery.

TOOLS:

- [Coin](#) (1)
-

Step 1 — Battery

- On the back side of the phone there is a cover over the battery and sim card compartment.
- Open the latch on top counter clockwise to reveal battery compartment.
- ⓘ Press the battery in the direction of the arrows and remove.

To reassemble your device, follow these instructions in reverse order.
