

Samsung SPH-A500 Battery Replacement

Repair guide on how to replace a battery on a Samsung SPH-A500 cell phone.

Written By: Nick Dominikovic

INTRODUCTION

This is a repair guide on how to replace a broken battery on a Samsung SPH-A500 cell phone using a step by step guide.

Step 1 — Battery

- Turn phone over
- Push the gray tab above the battery forward to remove the battery.

Step 2

- Remove the battery from the phone.
- Replace the old battery with the replacement battery.

To reassemble your device, follow these instructions in reverse order.
