

Samsung Stratosphere Battery Replacement

Tired of that old battery that can't give you more than 5 minutes of charge? Learn how to replace it.

Written By: Angelica Macrohon

INTRODUCTION

This guide will show you how to remove the back panel of your phone and replace the battery.

PARTS:

- [Samsung Stratosphere Replacement Battery EB505165YZ](#) (1)
-

Step 1 — Battery

- Using your fingers, pry along the groove at the top of the phone.
- Pull back on the rear casing until it comes free from the device.
- The casing will make a cracking sound as it is removed.

Step 2

- With your fingers, pry from the bottom of the battery to loosen it.
- Lift away to remove the battery from the phone.

To reassemble your device, follow these instructions in reverse order.
