# SanDisk Sansa C250 Rear Case Cover Replacement

Remove the rear case cover from the device.

Written By: Nicolas Coffey

🔧 TOOLS:

- Spudger (1)

## Step 1 — Battery Cover

- Slide the back cover forward toward the top of the device with your thumb.
Step 2

- The back cover is now separated from the device.

Step 3 — Battery

- Apply a fingernail or a plastic opening tool to the base of the battery.

Step 4

- Lift up gently. The battery should come up and out.
