INTRODUCTION

This guide will show you how to remove the Dark Grey case that allows you access to the Motherboard.

🔧 TOOLS:

- T5 Torx Screwdriver (1)

Step 1 — Back Phone Cover

- To remove the back cover, use your thumb to press down on the center of case and slide it off.

Step 2 — Battery

- Using a fingernail lift the battery out of the phone.
Step 3 — Sim Card

- Slide the sim card out with your thumb.
Step 4 — Back Dark Grey Case

- To remove the back case first remove the four screws shown with a T5 Torx screwdriver
