

# Sony Vaio PCG-81312L Battery Replacement

This guide will show you how to remove and replace the battery.

Written By: Alejandro Lopez

# INTRODUCTION

This is a good starting guide for any repairs done to this laptop. You will need to remove the battery before continuing onto other repairs.

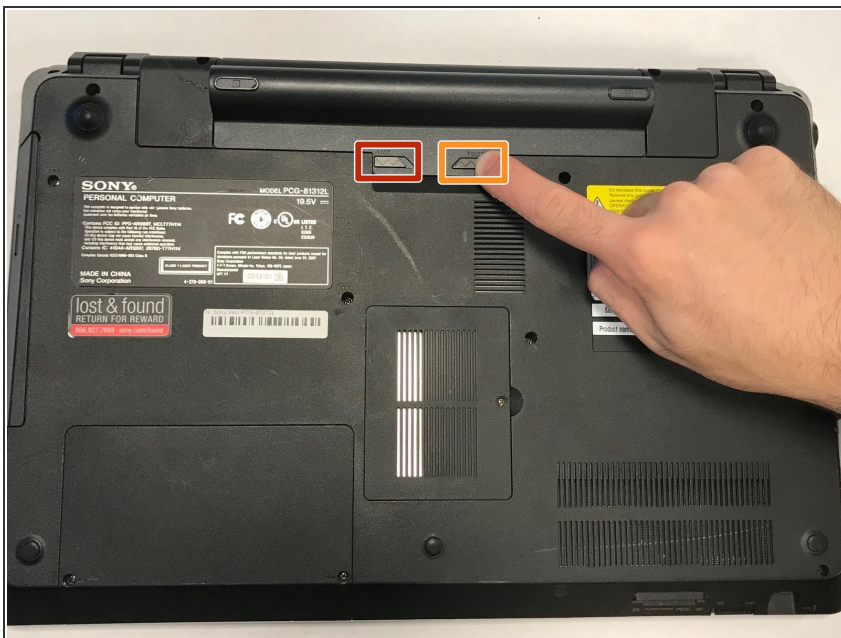

## Step 1 — Battery

❗ Flip laptop over to match picture.

- The battery is located at the top and in the center.

## Step 2

- Slide the left marked slider so it is not in the locked position.
- Slide to the left and hold the right marked slider.

### Step 3

- Roll back the battery away from you and pull out.

To reassemble your device, follow these instructions in reverse order.
