Step 1 — Battery

- Flip the laptop over so the Vaio logo is facing down.

- Locate the battery at the top and Find the release and unlock slides on the battery.

- Slide the unlock tab to the unlock position.

- Slide the release tab in the direction of the arrow, i.e. towards the unlock tab.

Step 2

- With the tabs still in the unlock position, slide the battery away from the main case.

Step 5

- Press down on the outer gray shell around the keyboard.

- Use the spudger to gently lift keyboard.

⚠ Do not pull up the keyboard too far as it is attached to a ribbon underneath.

Step 6

- Lift up lever underneath the ribbon to detach the keyboard.
