

Sun King Solo Solar Lantern Casing Cleaning

This guide will walk you through cleaning the clear plastic casing of the Sun King Solo Solar Lantern.

Written By: Anna

INTRODUCTION

Use this guide if debris or water has made its way into your device.

TOOLS:

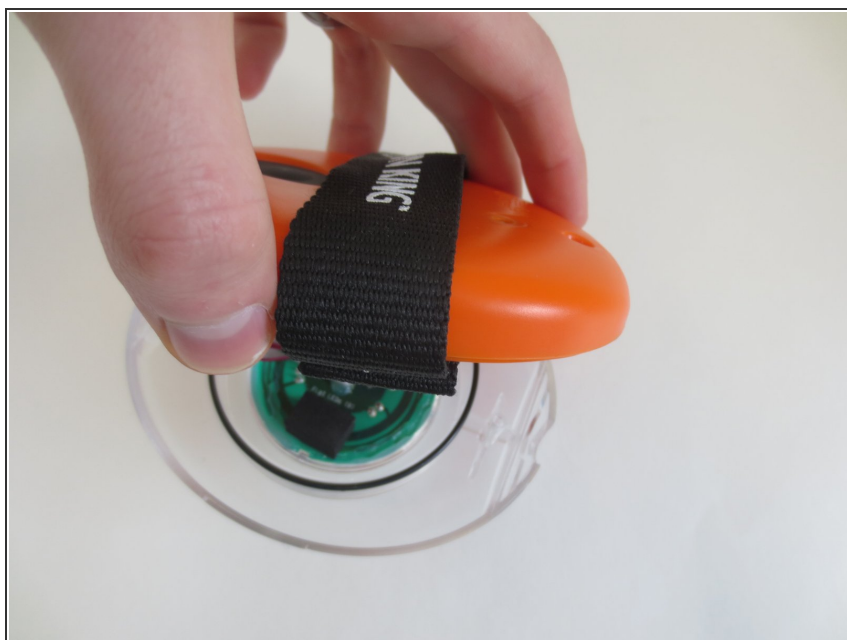

- [Microfiber Cleaning Cloths](#) (1)
-

Step 1 — Locate and Remove the Screws

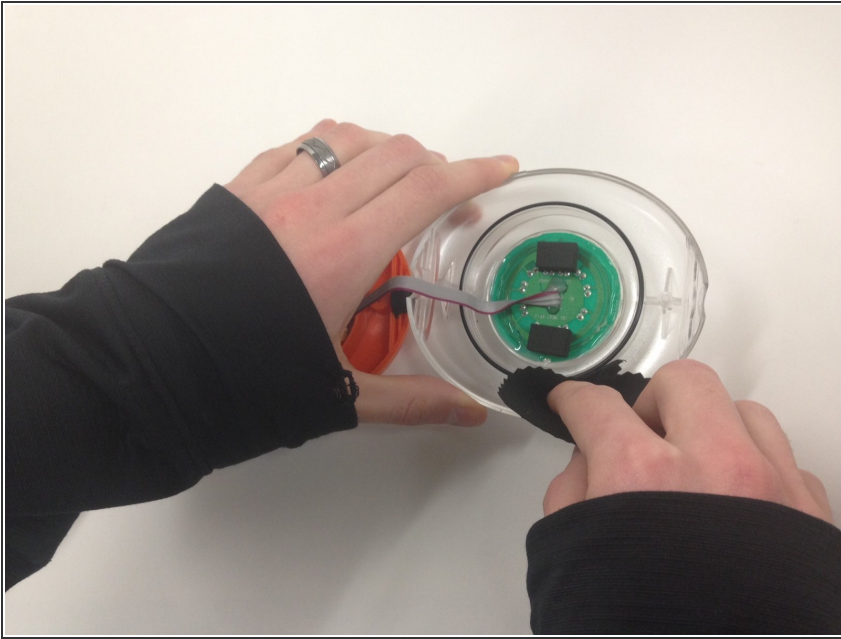

- Place the lamp *LED side down* on a clean workspace.
- Remove the screws holding the casing together using a Phillips #1 Screwdriver.

Step 2 — Separate the Device

- Gently pull the two halves of the lamp apart.

Step 3 — Cleaning the Casing

- Using a microfiber cleaning cloth, wipe the debris or condensation from the clear plastic of the device.
- ⓘ Buildup of condensation in the device could be due to broken or damaged seals. [Click here](#) for a seal replacement guide.

To reassemble your device, follow these instructions in reverse order.
