

Toshiba Dynabook T552-58G Battery Replacement

This is a replacement guide for the Toshiba Dynabook T552-58G battery.

Written By: Courtney Orange

INTRODUCTION

This guide will help guide you through the process of replacing a faulty or dead battery in a Toshiba Dynabook T552-58G. There are no tools required for this guide.

Step 1 — Battery

- Flip the computer so that the back panel is facing you.

Step 2

- Push the right battery cover lock (labeled as number 1) to the right.
- It should now be on the unlock symbol.

Step 3

- Push and hold the left battery cover lock (labeled as number 2) to the left.
- It should now be on the number 2.

Step 4

- While holding the left battery cover lock, pull up on the indent found in the center of the battery pack.
- Lift up on the battery pack to remove it from computer.

To reassemble your device, follow these instructions in reverse order.
