

Toshiba NB255-N250 Battery Replacement

Steps to replace the battery on the Toshiba NB255-N250 Netbook

Written By: Charles Myrick

PARTS:

- [Toshiba NB255 Replacement Battery](#) (1)
-

Step 1 — Power off the Toshiba NB255-N250

 Before starting any repairs, make sure to power off your device.

- To shut down the Toshiba NB255-N250, follow the instructions for your operating system or press and hold the power button until the screen turns off.

Step 2 — Remove the Battery

- Move the two battery retaining tabs to the opposite sides of the device, then pull the battery straight out the back of the device.

To reassemble your device, open the new battery and follow these instructions in reverse order.
