INTRODUCTION

This guide removes the battery from the laptop in order to replace or inspect the battery.

Step 1 — Battery

- Locate the two sliding locks indicated in the photo.
- Slide the right lock (labeled "1") to the right. It will remain in the unlocked position.
- Slide the left lock (labeled "2") to the left and hold it in place.

Step 2

- While holding the left lock, place your finger in the indentation next to the battery and lift the battery out.

To reassemble your device, follow these instructions in reverse order.
