

# Toshiba Satellite A215-S7425 Battery Replacement

This guide covers the Toshiba Satellite A215-S7425 battery removal.

Written By: Marianne

## Step 1 — Battery

- Turn off the computer.
- Disconnect the charging cable from computer.

 Failure to unplug the cable could result in electric shock.

- Flip the computer upside down.

## Step 2

- Slide latches labeled #1 and #2, located outside the battery cover, away from each other.

**(i)** Latch #1 will click over and stay while latch #2 will have to be held for battery to release.

This document was generated on 2019-09-18 09:32:17 AM (MST).

## Step 3

- Gently lift and pull the battery out of the device.

To reassemble your device, follow these instructions in reverse order.
