

# Turtle Beach Ear Force XO One Ear Padding Replacement

This guide steps through removing and replacing the Ear Padding from the headphones.

Written By: Murilo S

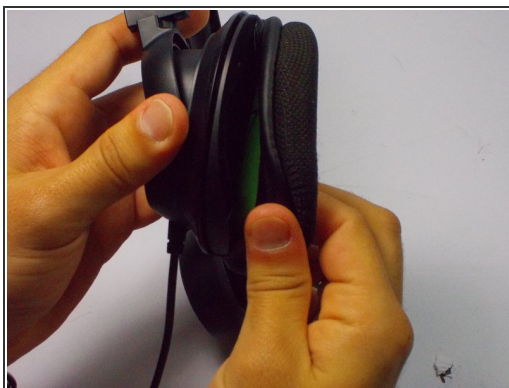

## Step 1 — Ear Padding

- Starting point for ear pad removal.

## Step 2

- Starting from one of the sides, pinch the foam padding and pull it outwards.
- Repeat motion through out whole circumference of the ear padding.

To reassemble your device, follow these instructions in reverse order.
