# Vivitar XO 7 Camera Replacement

How to remove the camera from the Vivitar XO 7.

Written By: Braanah Craig

INTRODUCTION

If you are experiencing problems with your device's front or rear camera, this guide will help you to remove and replace the faulty part. Both cameras are connected and are removed simultaneously.

🔧 TOOLS:

- Tweezers (1)
- Phillips #00 Screwdriver (1)
- iFixit Opening Tools (1)
