

Why! N131WU RAM Replacement

Written By: Felice Suglia

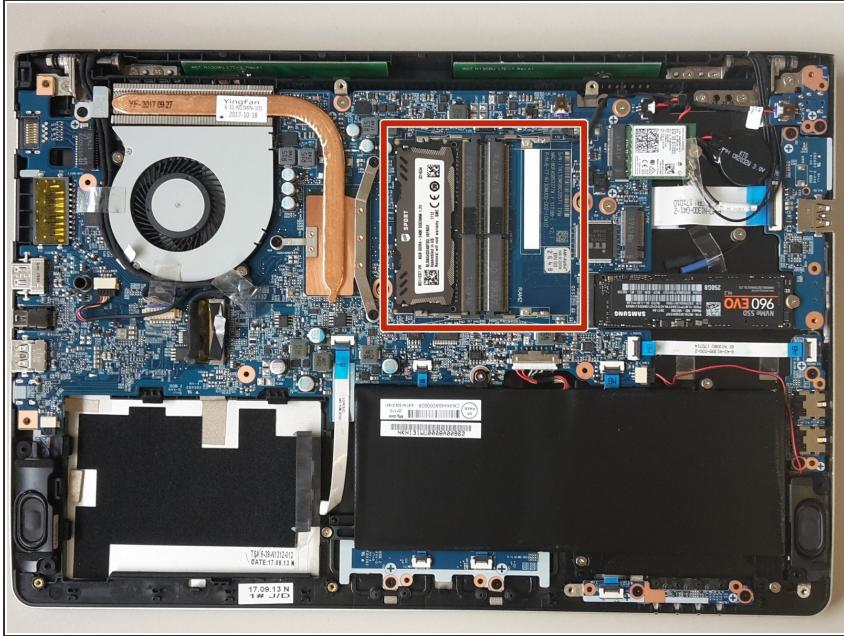

PARTS:

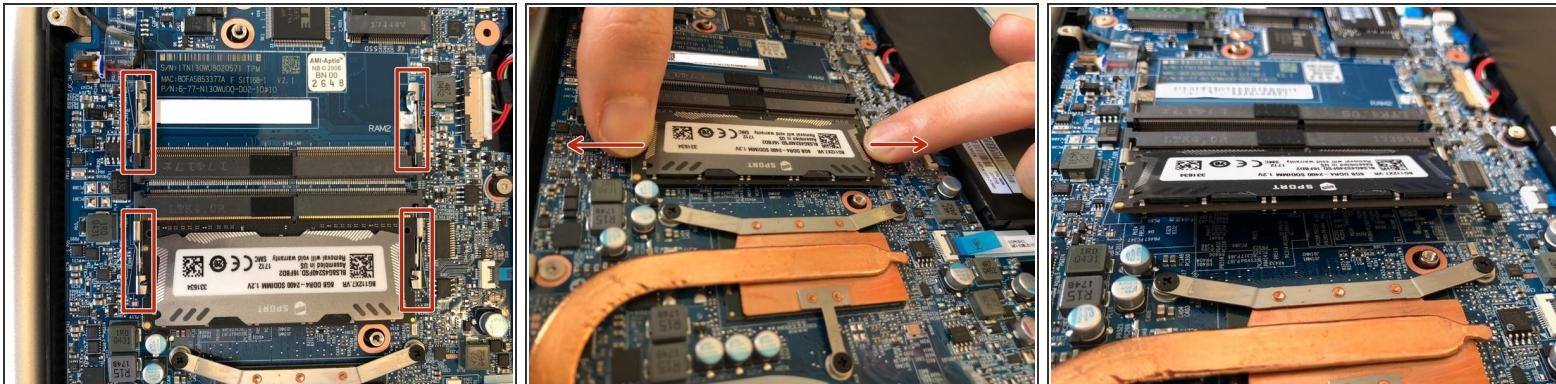

- [New Item \(1\)](#)
- [New Item \(1\)](#)
- [New Item \(1\)](#)
- [New Item \(1\)](#)

Step 1 — Open the case

- [See this guide on how to access the main components.](#)

Step 2

- Gently pull outwards on the clips to free the RAM stick.
- Remove the RAM Stick from its slot.

To reassemble your laptop, just follow the instructions in reverse.
