

WowWee MiP Robot Restart Technique

MiP may have trouble responding to hand gestures or miscommunicate with the app. If this is the case we suggest restarting the robot.

Written By: Moira Keahon

INTRODUCTION

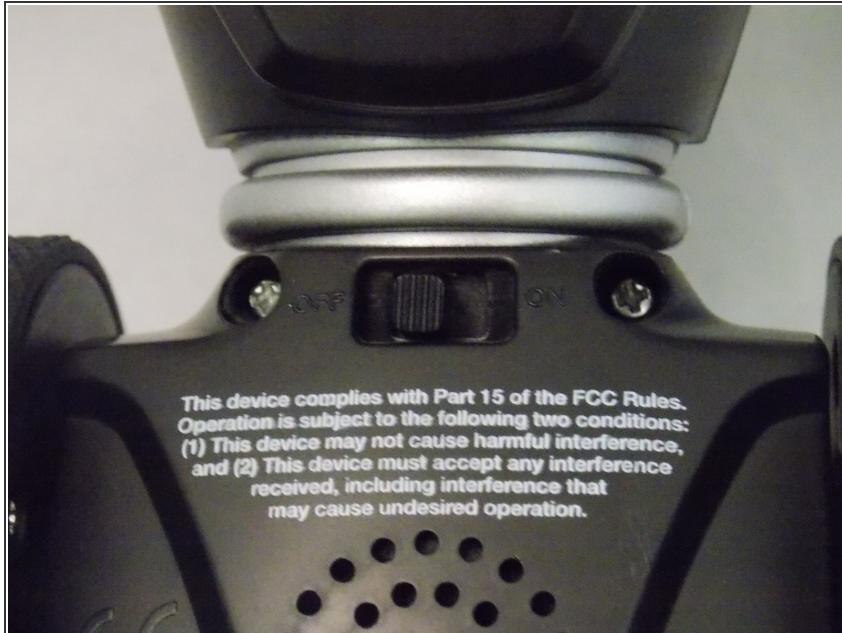

This guide will tell users how to restart the MiP robot. The restart switch is located on the back of MiP.

Step 1 — Locate the Switch

- Locate the power switch on the lower half of MiP's back.
- This is located above the wheels.

Step 2

- Flip the power switch off.

Step 3

- Leave the robot off for 10 to 15 seconds.

Step 4 — Flip the Switch

- Flip the power switch to turn the robot back on.

To reassemble your device, follow these instructions in reverse order.
