

# ZTE Tempo Battery Replacement

If the battery dies quickly, this replacement guide should help to make it function.

Written By: omar

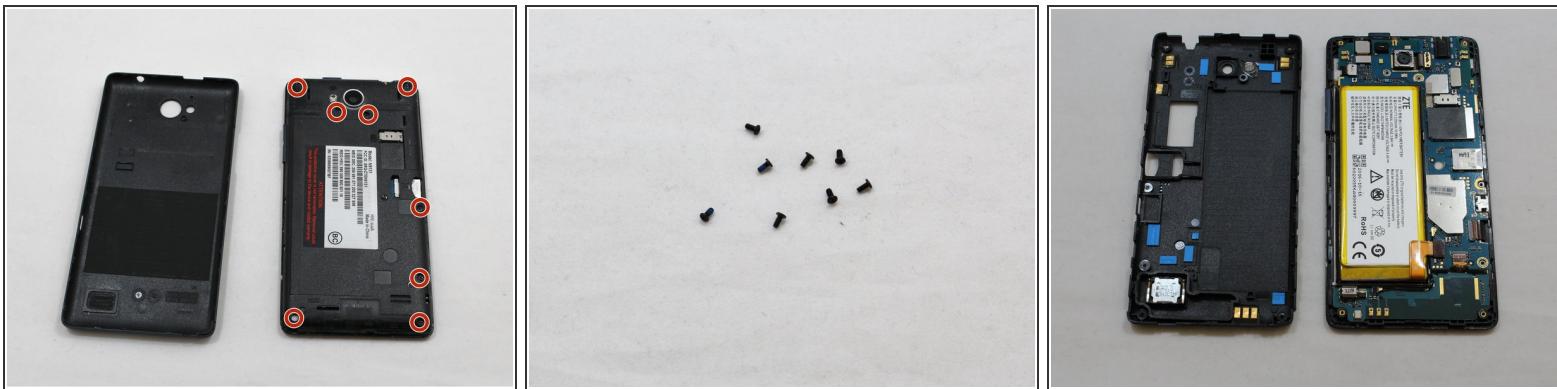

## INTRODUCTION

If the battery dies quickly, this replacement guide should help to make it function.

### TOOLS:

- [iFixit Opening Tools](#) (1)
- [Phillips #0 Screwdriver](#) (1)

## Step 1 — Battery

- Pry open the back case to get to the back cover.
- Remove eight 5mm screws with a PH0 screwdriver.
- Pry open the back cover with a plastic opening tool.
- Slide the plastic opening tool alongside the side seam twisting your hand forcefully to open the back cover.

**ⓘ** Pry open by finding an edge and forcing it open with the plastic opening tool.

## Step 2

- Use a plastic opening tool to lift the press-fit connector up and disconnect the battery ribbon cable.
- Lift the battery up and remove it from the phone.

To reassemble your device, follow these instructions in reverse order.
