

iRobot Roomba 630 Left and Right Wheels Replacement

How to remove and replace the Left and Right Main Wheels on your iRobot Roomba 630.

Written By: Amir

INTRODUCTION

This guide will show you how to remove and replace the Left and Right Main Wheels of your iRobot Roomba 630.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)
- [Phillips #00 Screwdriver](#) (1)

PARTS:

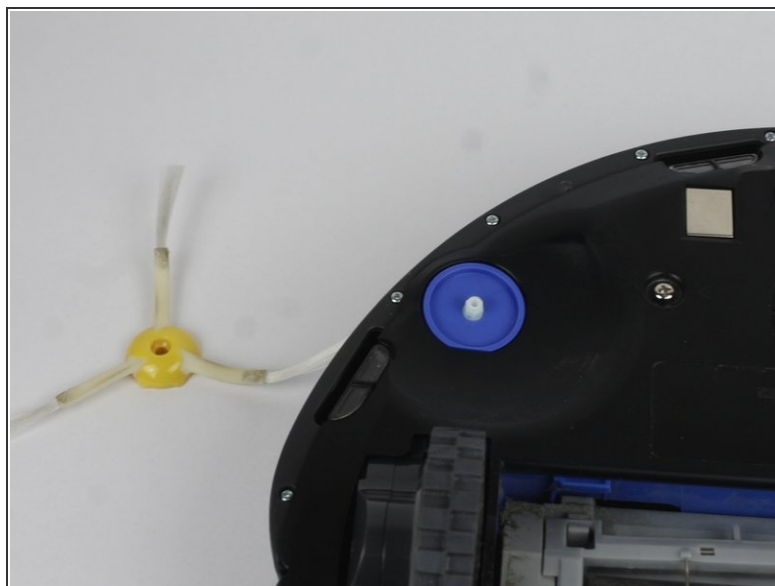

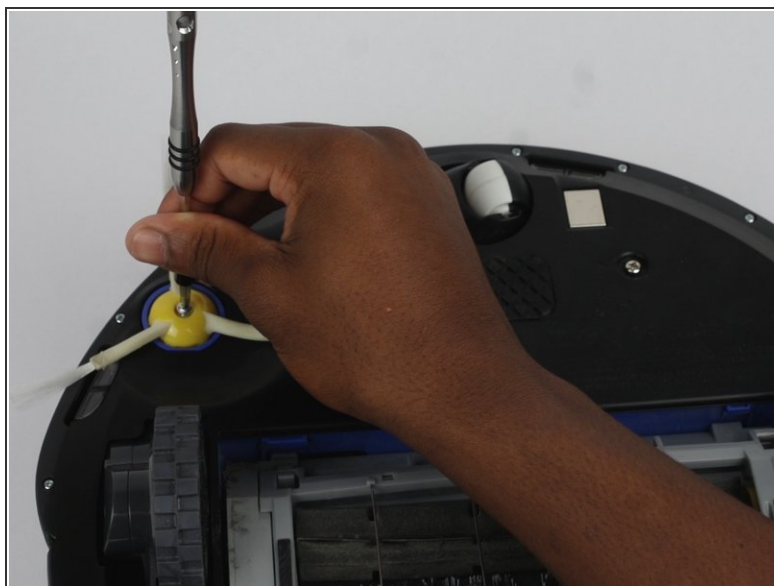

- [Roomba Right Wheel](#) (1)
- [Roomba Left Wheel](#) (1)

Step 1 — Left and Right Wheels

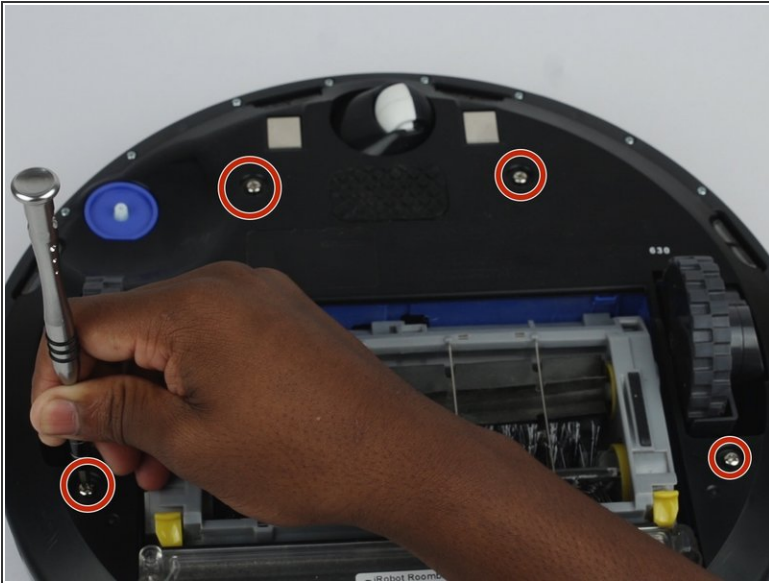

- Press the bin button and pull the bin out.

Step 2

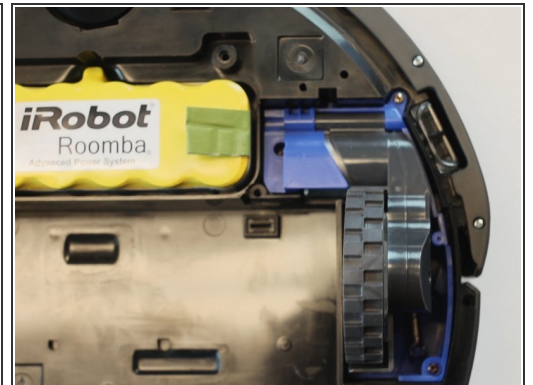

- Flip the Roomba over and unscrew the side brush screw using the Phillips #2 screwdriver.

Step 3

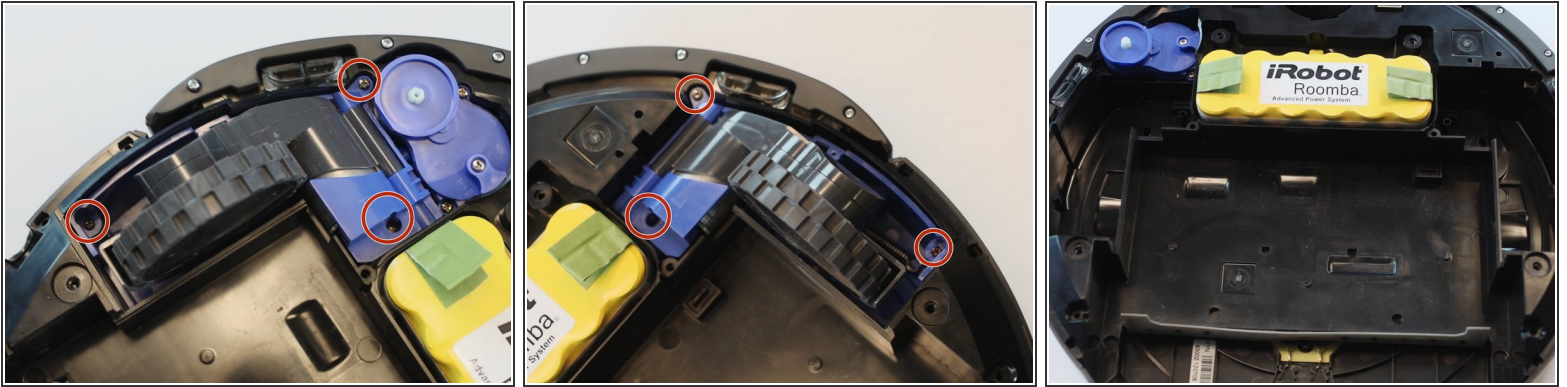

- Unscrew the (4) four screws to the back plate and lift off.

Step 4

- Unscrew the (4) four screws to the brush cage.
- Lift the brush cage out.

Step 5

- Unscrew the (3) screws to the left wheel and the right wheel.
- Lift the wheels out and remove them from the device.
